Lord, Jesus Christ, You who traveled throughout Galilee healing the sick, enabling the blind to see and the lame to walk, bring healing to Your people who need it this day. Give peace to the minds of those who are tortured by mental illness and anxiety. Comfort those who are alone in their illness. May Your people reach out to them and all who are in need this day. Send grace to the caregivers, that they might be effective and gentle agents of Your loving mercy. May our sufferings be united with Yours to bring healing to people throughout the world. Amen

FRONTLINE WORKERS AND THOSE OF ESSENTIAL SERVICES.
WE PRAY THAT THEY STAY HEALTHY AND SAFE.***

A very sincere *thank you* to Roy Barton for setting up the live streaming of Easter services. We had many people viewing those services and it was very much appreciated by many that we still were able to come together to celebrate.

Next Sunday we will commemorate the 34th Anniversary of the Chernobyl Nuclear Disaster with special prayers and a panachyda (memorial service) after Divine Liturgy. As you know, right now in the exclusion zone of Chernobyl near the town of Prypiat there is a forest fire burning. The people of Kyiv and the rest of Ukraine are in fear that

radioactive particles will be carried in the wind south to the cities near Chernobyl. Let us all pray together for the people of Ukraine and for the souls of those lost and those who continue to suffer because of this disaster.

Please note that we will continue to live stream our Sunday Divine Liturgies on Facebook (St. John Byzantine Ukrainian Church). Please join us every Sunday at 10 a.m.
