Give peace to the minds of those who are tortured by mental illness and anxiety. Comfort those who are alone in their illness. May Your people reach out to them and all who are in need this day. Send grace to the caregivers, that they might be effective and gentle agents of Your loving mercy. May our sufferings be united with Yours to bring healing to people throughout the world. Amen*

**What we are doing to keep our church and kitchen safe for everyone –**

**Anyone entering the church for services are screened for fever and records of who is in attendance are kept in the parish office. After every service the church is sanitized with a “state of the art” fogger that covers every surface with a disinfectant mist. Door handles, counters, tables anything that has been touched is wiped with disinfectant wipes. Fr. Anton and staff wear masks to reduce contamination of surfaces and hand sanitizer is easily accessible in the church lobby. Our bathrooms are sanitized after every use.**

**Our store volunteers are very careful to sanitize counters and door handles after every customer. We are also installing a small sink in the store to allow volunteers to wash their hands regularly. Hand sanitizer is available to customers and staff, and an automatic door opener has been installed, to allow easier access and less contact for the opening of the door. Plexi glass has been installed at the counter and window, which allows for “drive through” service.**

**Our kitchen volunteers are screened for fever and wear masks/faces shields at all times when preparing our products. Hand sanitizer can be found throughout the kitchen, chairs and tables are set up that volunteers are able to social distance when working. The kitchen is cleaned and sanitized regularly everyday when work is being done by using our sanitizing fogger.**

**All of these measures are in place to keep all our volunteers and patrons safe and healthy. While wearing masks isn't the most comfortable fashion accessory, they are key in keeping the spread of the Covid-19 virus down. If everyone does their part, we will see an end to this pandemic sooner!**

**If you have any questions or concerns about our safety measures, equipment or procedures, please call the parish office.**

**Stay safe! Stay healthy!**

**The Feast of the Dormition** (Falling Asleep) of the Mother of God will be celebrated Sunday August 16th. The Great Feast of the Dormition of The Theotokos celebrates the wondrous way in which The Theotokos left this earthly life and was taken into heaven in a miraculous way: both body and soul. Holy Tradition tells us that all the Apostles, except Thomas, were transported mystically to Jerusalem in order to be with the Mother of God as she died and present at her burial. When Thomas arrived the next day, they opened the tomb so that he could say his farewell. They found only an empty tomb filled with sweet-smelling flowers.

Parishioners are welcome to bring to be blessed in remembrance of this great sign of her holiness.
