Lord, Jesus Christ, You who traveled throughout Galilee healing the sick, enabling the blind to see and the lame to walk, bring healing to Your people who need it this day.

Give peace to the minds of those who are tortured by mental illness and anxiety.

Comfort those who are alone in their illness. May Your people reach out to them and to all who are in need this day. Send grace to the caregivers, that they might be effective and gentle agents of Your loving mercy. May our sufferings be united with Yours to bring healing to people throughout the world. Amen
